

**Batesville Community School Corporation
Permission to Publish on the Internet K-12**

Your child may have the opportunity to be involved in their school web site on the Internet as part of activities or projects. This may include creating a web page, publishing a story, poem, class newspaper, or other class projects. Your child may also be included in an individual or group photograph from an activity or club, a roster from a team or club, or an honor roll or classroom list. Publishing on the school web site allows family, friends, and people all around the world to view your child's work and accomplishments. We feel this is an exciting and rewarding opportunity for your child.

The documents, pictures, and names will only be published with your written permission. Please review the following options and then return this form to school. Thank you for your cooperation.
